## OUR STORY

Mornington Bowling Club was established in 1917 on what was once an Aboriginal campsite, located on a cliff top overlooking Port Phillip Bay.

The club was formed on the 1st June 1917 and opened with a four rink green in November of that year, but the task of hand watering by watering can proved to be too big a job for the members and the club closed. A permanent water supply was not available until 1921.

The year 1925 brought an element of interclub competition when the Frankston Bowls Club was founded.

In 1934 the Flinders Council approved and constructed a seven rink lawn green on the David McFarlane Reserve at Sorrento.

The "Hart Cup", in the format of a Pennant competition, was introduced and played on Wednesday afternoons between the four member clubs of the new Association, MORNINGTON, FRANKSTON, SORRENTO and ROSEBUD. Businesses normally closed on that day, as banking facilities at that time were only available at the major townships, necessitating a trip to that town by business owners to conduct their weekly transactions.

Season 1954-55 saw the introduction of a Saturday Pennant competition. 1955-56 was also the last season during which the Wednesday competition was played.

The Club today has approximately 180 members. Of these, some 155 are full bowling members with a further 26 social members.

# CODE OF CONDUCT

The aim of this Code of Conduct is to provide an enjoyable, comfortable, safe and rewarding environment for all people associated with the club. It applies equally to members and their guests, including players from other clubs visiting the club for pennant, social or other competitions.

Members, visitors and guests of the club have a right to:

- be treated with fairness and respect;
- participate in an environment free from all forms of harassment and discrimination; and
- have their privacy and confidentiality protected.

Members may submit their views or concerns to the Board of Management or Bowls Committee in person or in writing.

The Board of Management will investigate and deal with concerns in a timely manner. They will advise all concerned parties of their decision, which will close the matter.

It is expected that members and visitors of the club will at all times:

1. be friendly, courteous and respectful towards other members, visitors and staff;
2. respect teammates, opponents, officials and the rules of the game;
3. refrain from behaviour that would bring the game or the club into disrepute;
4. refrain from behaviour that could offend or embarrass others;
5. behave in non-violent and non-abusive ways;
6. respect the positions of office bearers, committee members and volunteers of the club;
7. treat the property and facilities of the club with respect; and
8. contribute positively to the sporting and social activities of the club.

Conduct is a matter of concern to all members – poor conduct has a negative impact, and can be harmful and destructive to a club.

It is the responsibility of all members to ensure that their behaviour is appropriate at all times.

If a member is offensive or abusive, responding in the same manner will also be considered a breach of the Code of Conduct. The only reasonable and acceptable response is to not engage in a negative behaviour. It is acceptable to report the concern/matter to the Board of Management to be investigated under breaches of the Code of Conduct.

Any member representing the club must not engage in conduct which is violent, aggressive, inappropriate or prejudicial to the interests of the club. A member representing the club, for the purposes of this rule, is defined as anyone who:

1. is wearing club uniform or any items of uniform that identifies them as a member of the Club;
2. represents the club in any bowls event; and
3. participates in any bowls event at our club or at another club, or attends such event(s) as a spectator.

Any member who has indicated his availability to represent the club in pennant or other organized competitions must play in the position(s) and team(s) they are selected in by the club's selectors.

Any member who is dissatisfied with a decision of the club's selectors in relation to their ineligibility for any round(s) of any pennants season(s) or the position/team they are

selected to play in, may appeal in writing to the Chairman of the Selection Committee or the Board of Management.

Bowlers will show respect to their team mates, and opponents, and play the game of bowls within BA Laws and/or Bowls Vic Conditions of Play, to the highest degree of sportsmanship and honesty.

Spectators on the surrounds of the green will conduct themselves in a manner that ensures that bowlers are not distracted.

Members, visitors and guests will ensure that the comfort of other patrons is not unreasonably disturbed.

Members, visitors and guests will respect other patrons and will conduct themselves in a manner that will not cause offense.

Members, visitors and guests will consume alcohol responsibly and will accept any staff or licensee decision to discontinue the serving of alcohol without complaint.

There is strictly **no** drinking on the greens at any time.

The club provides free Wi-Fi to members which is intended to be used in a fair and "community minded" manner. It is unacceptable to use the club's Internet for any illegal or inappropriate activities.

Breaches of the Code of Conduct are to be reported to any member of the Board of Management. Any breach of the Code of Conduct will be resolved calmly, with honesty, dignity, and as far as possible confidentiality will be maintained.

Where and when required, the Board of Management or a Disciplinary Committee appointed by the Board of Management, has the right to make decisions, and enforce fair and appropriate measures, to resolve a breach of the Code of Conduct.

Any reported breach of the Code of Conduct will be investigated, discussed and dealt with by the Board of Management or by a Disciplinary Committee appointed by the Board of Management by imposing either a reprimand, suspension, or revoking of club membership in accordance with the Penalty Matrix adopted by the Board of Management. In the case of non-club members, the Board may consider a ban from the club for a set period of time or for life.

# **OTHER USEFUL INFORMATION**

## **NON-BOWLING DUTIES**

As with other not-for-profit entities, the Club and bowling generally, relies very heavily upon unpaid help, for its viability and capacity to meet the expectations of its members. The directors, office bearers, officers and others in support roles, voluntarily provide substantial amounts of time and energy, free of cost to the Club.

Members WILL be asked to perform non-bowling duties if capable. A member failing to make him/herself available, places unreasonable burden on others.

Duty rosters are on the notice boards and the website for members to check if they are "on duty". If unavailable it is a member's responsibility to find a replacement.

## **BOWLS, APPAREL & ARTIFICIAL DEVICES**

Under 'World Bowls Laws' the bowls used are a tested and matched set of four, licensed for a period from the date of testing and World Bowls date stamped accordingly. Bowls used in Pennant and competition matches are to bear adhesive labels on each side, identifying the team's club.

Subject to compliance with certain requirements, which will include provision of a medical certificate (see Rule 26.3 of 'Bowls Victoria Regulations'), a bowler may use an approved wheelchair or 'bowling arm'.

Bowlers are to wear Bowls Victoria approved apparel at Pennant and competition matches and at other times required by the Club. Approved apparel for members of Mornington Bowling Club is:-

- All outerwear must bear the Bowls Australia logo but exceptions are footwear, including covered socks. A hat, if worn, is to carry the Bowls Australia logo or Club headband. Socks worn with shorts or  $\frac{3}{4}$  length pants must bear the Bowls Australia logo if higher than the shoe
- The registered Club long or short sleeve shirt bearing the Club name
- All Pennant team members and Social bowlers must wear the currently registered shirt on pennant days
- Trousers, shorts, skirts or similar are to be coloured either white, cream or bottle green and bear the Bowls Australia logo

## **COACHES & UMPIRES**

The Club has a number of members who are trained, experienced, tested and certified as coaches and/or umpires. Their services are free to members. You may seek guidance from a coach at any time.

Members who are not certified coaches must refrain from offering advice to other bowlers, unless asked for assistance of a general nature. There must be no criticism of another bowler's performance during play and it is discourteous to do so at other times. A new or struggling bowler may regret being a member and discontinue bowling, if criticised rather than encouraged.

## **PENNANT, COMPETITIONS AND SOCIAL BOWLS**

All full club members are encouraged to play in all types of games.

Pennant enhances your skills as a bowler and successful teams and divisions enjoy the challenge of playing for the club, with the chance to win a Pennant flag.

There are numerous inter-club, intra-club and district competitions available to both the novice bowler, as well as more experienced bowlers. The competitions once again help to hone your bowling skills. Current club competitions are listed in the Handbook and displayed on the noticeboard. Special Days hosted by other clubs are contained in a folder near the rear notice board.

The club has social bowls twice a week, on Wednesday and Saturday, throughout the year. This is a more relaxed game and is very popular with all members.

During daylight savings, the club runs Barefoot Bowls every Friday evening for members of the public. This is very well attended and many members have joined the club after enjoying the fun at these evenings.

## **SMOKING, ALCOHOL & MOBILE PHONES**

The Club is a no smoking club. Smoking is not allowed anywhere within the perimeter boundary of the Mornington Bowling Club.

Alcohol is not allowed on the greens and must be kept within the designated "red line" area near the clubhouse. Players are permitted and encouraged to drink water whilst play is in progress. There is to be no drinking of any beverages or eating of food on the greens.

Mobile phones and sound devices must not be used on the greens and should not be answered during play, unless previous permission is given for medical reasons or family concerns etc.
