

## Chairman's News Letter

How quickly the months pass by, today at 9.0am I spoke with Ben Harris the building supervisor for Quadracon, the contractors renewing the club roof. He was very pleased with the progress with only 2 meters to go to complete the main roof, leaving the flashing to do over next 2 days. He has assured me that we can return to the club at the scheduled 3pm, there will still be a lot of odd's and end's to finish but for the best part, we have a new roof.

There will of course be some tidying up inside the clubhouse, renewing all the damaged ceiling tiles etc, this should cause very little disruption.

Congratulations to our Chairperson, Susan Gullidge, on her drive and determination, with continual pestering of the Shire she got us over the line, well done Susan.

Congratulations to Russel Bakey in becoming runner up in the Regional Novices final last Sunday, also to David Pumpa and Trevor Roberts in reaching the semi finals of the over 60's, both played at Civic last Sunday.

Saturday pennant commences this Saturday, followed by Tuesday pennant next week, good luck for a successful season to all those taking part.

Congratulations to the Tuesday players in Div 2a, and 2b for their defeat over Rosebud yesterday.

Good bowling.

Ray Metherell

Vice Chair
