

Dear members,

The new Board of Management held its first meeting last week.

Our clubroom floor has now been resurfaced and I have been told it looks great. We have also heard that the windows are being replaced and Quadracon will be doing preliminary work this week.

David Youl has kindly volunteered to take on the role of Barefoot Bowls Manager. Those of you who are veterans, please give him your support. The income from Barefoot Bowls this year will be more important than ever.

We still have a vacancy for Board Secretary. Please see the attached Position Description and consider taking on this role. We do need you!

Two other important roles that need to be filled are Functions Manager and Assistant Functions Manager. Again, please see the Position Descriptions attached. If you do not feel confident of doing it alone, you could always take it on with a friend. This is another important money raiser for the club. Without Functions, fees will have to be increased.

Stay safe

Kind regards

Susan Gullidge
