• Our resident Poet... John Scott:

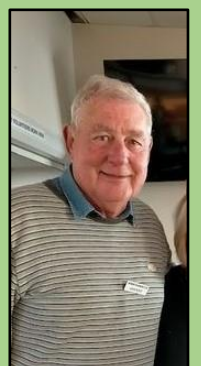

Bowls by the Bay
Our Delight I say
To play'n chat is our way
Mixed of course, laughs our go
Mornings we arrive, cuppa to start
Time for Skips to impart

The rinks prepared, mats and jacks
Flags flutter, rakes are ready
Leads advance first bowl, steady please
Conditions prevail, wind at play
Oooopps rouge bowl it's way to Bombay

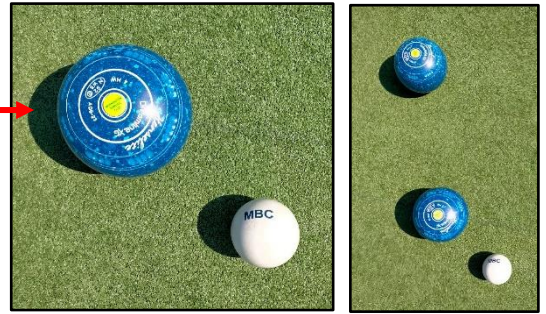

Characters a plenty, help make the fun
Big'n small, Male and Female
Talent they display, so proud we are
All striving to shine, even to star...
A drink or two, days end we enjoy
Thanks David, we promise not to annoy

Salute we do, Pennant, Social, Barefoot Bowls
Helpers so vital to take control
Our distinctive uniform, worn with pride
To tackle the foe to 'push aside'
and capture the Flag, we need to provide
Green we display, it's our colour – never to hide

Committee to guide us further ahead
Thanks to all – good will you spread
Working Bees a bonus we do rely
With Special Thanks to you know who
Short time here, good company, good friends
MBC I can recommend
